RESIDENCY REQUIREMENT FOR MEMBERS OF LOCALS 159B AND 1637 BARGAINING UNIT ENTITLED TO INTEREST ARBITRATION (PAYROLL CODE "I").

Effective January 1, 2023, employees who have five or more years of service in the Local 159B and 1637 bargaining unit entitled to interest arbitration will not be required to live in the City of Philadelphia.

Effective August 16, 2024, until the Philadelphia Department of Prisons ("PDP") reaches 80% of its staffing complement (as determined by the total number of budgeted positions in the Correctional Officer, Correctional Sergeant, Correctional Lieutenant, and Correctional Captain ranks), the City's residency requirement shall be eliminated for members of Local 159B and 1637 employed by Department of Prisons and Correctional Captains.

Once the Department of Prisons reaches 80% of its staffing complement, employees who have five or more years of service with the PDP in Local 159B or 1637 or as a Correctional Captain will not be required to live within the City of Philadelphia but are required to reside in the Commonwealth of Pennsylvania; those hired while the residency requirement is waived but who have not yet reached five years of service in the bargaining unit, shall not be required to establish residency in the City.
