

Regulation 31 – Interim Regulations

31.85 Special provisions relating to eligibility for Laborers in Streets Sanitation for civil service in-position promotion to Sanitation Worker

Effective March 14, 2025, any employee with permanent Civil Service status in the Laborer class in Sanitation in the Streets Department as of the effective date shall be considered eligible for in-position promotion to Sanitation Worker. Employees in the Laborer class who satisfactorily complete the six-month probationary period after March 14, 2025 must meet the criteria for Civil Service Regulation 5.15-1. In accordance with the Civil Service Regulation 5.15-5, employees who promote to the Sanitation Worker class will serve a six-month probationary period.
